Vegeta's Brain Scrambler

>
Authors Note: Ive got one messed up little mind and Im SO proud of it...

>
Vegeta was bored one day. The gravity room broke,Kakkarot was stuck shopping

>w Chi Chi,the TV was also broken,noone was home except himself,and there

>was nothing to eat. He decided to look around Bulmas lab where she had all
her inventions kept. He was gonna look to see if there was anything to do.

>
"Oooooo what does this button do???" he said sounding like Dee Dee. He

>pressed it and the thing exploded. He found the plans to an invention Bulma
decided not to make. When Vegeta saw them he got a wide evil grin on his

>face. He decided to make it. Thats exactly what he did.

>5 hours later...

>"At last my greatest creation is completed!!"(I seriously have been watching
to much of Dexters lab lately...) he shouted w/ joy."With this Brain

>Scrambler I can make people do whatever I want!!! Hmmmmmm..."

>He decided who to test his machine on...

>"Hey brat,get in here." he said to Trunks when Trunks got home.

>"Coming Tousan." Trunks replied.

>Vegeta aimed it at Trunks and pressed the button.

>"You're a monkey!!" Vegeta shouted.

>Trunks started jumping around acting like a monkey.

>"It works!!!Im gonna have lots of fun w this..." Vegeta said to himself.

>
He made Trunks normal and left. He flew around holding the B.S. in one hand
>and his Piccolo Poker in the other one. Im sure you figured out the next
victim. He flew over to where Piccolo was meditating and used the B.S. on
>him.

>"You are the most cowardly Namek in the Universe!!" Vegeta shouted out.

>"O no please dont hurt me Vegeta...please??" Piccolo begged sounding like
Chaotzu about to be thrown in a boiler.
>
"Ha ha. Too bad Namek." Vegeta said poking him w/ the Piccolo Poker(read
>"Vegetas Surprise Birthday" too find out how he got the Piccolo Poker).
Piccolo actually started crying which is not a site you see everyday which
>is exactly why Vegeta had happened to bring a camera. After he was done he
used the B.S. again and he made Piccolo keep hitting himself in the head w/
>the Piccolo Poker over and over and over. Gohan had seen the whole thing
and went to tell his dad. After Gohan told Goku everything...
>
"We better stop him!!" Goku shouted crashing through the roof. Goku saw
>Vegeta making Chaotzu think he was dinner. Goku and Gohan waited till Vegeta
ate Chaotzu because they never liked the little freak anyway. When he was
>done...

>"Vegeta you need to stop this right now!!!" Gohan shouted.

>"Yea?? How are you gonna stop me Sailor Moon??" Vegeta shouted back zapping
Gohan.
>
"In the name of the moon Ill punish you!!" Gohan shouted in a girly voice.
>
"That was just low Vegeta...very low." Goku said.
>
"Your turn." Vegeta said shooting the B.S. at Goku. He dodged it and punched
>Vegeta in the face. The second time Vegeta hit Goku w the B.S. and Goku
>ended up being Vegetas slave.

>"Ha ha ha ha!!!" Vegeta laughed maniacally. With Goku not standing in his
way Vegeta could rule the universe.
>
"Tousan,what are you doing??" Bra asked very innocently.

>
"Uh-I...um...Im controlling everyones minds,princess." he said very sweetly.
>
"WAAAAA!!!" Bra started crying.
>
"Okay Ill change everyone to normal ok??" he said.
>
"Ok." she said stopping the crying immediately.
>
"I hate my consience..." Vegeta mumbled.
>
When he changed everyone back,Gohan grabbed the B.S. from Vegeta and zapped
>him...

>"Oops I did it again!!I played w your heart..." Vegeta started singing.
>
"Lets just keep him like that for a while..." Goku said eyeing the B.S.
>
Here we go again...
>The End

>Vegeta:Im not that innocent!!

>Prince Vegeta:Stop already!!!!

>Vegeta:O sorry...I was beginning to have fun... <p><p>
